Comprehension

Q.1. Read the following passage carefully and answer the questions given below.

There is a small fire station in town. At this station, the firefighters are volunteers. That means they work for free. The fire station gets some money from the government to take care of the building and fire truck. But the fire station has a problem. Last winter, a pipe in the fire station froze. Then it burst. Water went everywhere. There was a lot of damage. Now the building cannot be used. What is worse, the fire station does not have enough money for repairs needed to fix the damage. The people in the town are worried about what will happen if there is a fire and no working fire station. But they will figure out a way to solve the problem. They always do.
