1. Jump suits

Disney's
Aladdin JR

The logo for Disney's Aladdin Jr. features the word "Disney's" in a black, stylized font at the top. Below it, the word "Aladdin" is written in a large, purple, cursive font with a red and white outline. The letters "JR" are written in a smaller, blue, serif font, positioned to the right of "Aladdin" and partially overlapping a yellow teapot. The teapot is a stylized representation of the Genie's teapot, with a red flame coming out of the spout. A small "© Disney" copyright notice is located at the bottom of the teapot.
