

Social Studies - Blog Worksheet –
Year 3
29.1.2018

1. List any 3 benefits of rivers.
 - a.
 - b.
 - c.
2. Name the three branches of the Armed Forces of Pakistan and describe the role of each.
 - a.
 - b.
 - c.

Answer key:

1. Rivers provide cheap means of transport, water from rivers may be used for domestic and industrial purposes, rivers provide for boating and fishing.

2. The three branches of Pakistan's Armed Forces are Army, Navy and Airforce. Army defends the borders on land, Navy defends the seas and Air Force defends the skies of our country.
